NOTES: The vest is crocheted sideways beginning at the front and continued in one piece through the back and around to the second front. It is joined at the shoulders. When starting a row skip the first stitch since the chain takes its place. If you end your row with a SC make one more SC into the turning chain from the previous row. If you end your row with a DC add 1 DC into the turning chain. Chain 2 at the beginning of the rows to begin SC and chain 3 to begin DC.
