Spring Rain Shawl

designed by Barbara Lundy Stone

This is one of Blue Heron Designs Landscape patterns and requires some designing on the part of the knitter.

MATERIALS:

- 1 skein Wool Thick & Thin in Spring Rain
- 1 skein Wool Thick & Thin in Nebula
- 1 skein Wool Seed in Spring Rain

EQUIPMENT: Size 11 knitting needles large tapestry needle

GAUGE: 2.5st/in -length 42" -width 84"

DIRECTIONS: This is a triangular shawl. It is knit in garter stitch. Cast on 3stitches with the Thick & Thin in Spring Rain and knit one row. Turn and cast on one stitch by inserting the needle between the first two stitches and pulling the yarn through. Put the new stitch on the needle. Keep this stitch loose so that the shawl does not pull up at the sides. You are making a diagonal line here and you need some extra stretch. Knit the row.

PATTERN: *Cast on one stitch and knit to the end of the row.* Repeat this for the entire shawl.

COLOR: The Wool Seed is added in two row segments inserted randomly between two, four,

and six row segments of the Wool Thick & Thin. Begin to introduce the Wool Thick & Thin in Nebula when you have about 95 stitches on the needle. Begin with two rows of Nebula and go back to the Spring Rain. You want to make a gradual change in the color so you don't create a sharp color line . Continue to randomly knit in the Wool Seed. End the shawl with a six row segment of the Thick & Thin . Cast off leaving enough yarn to make one row of single crochet along the top edge. Make two rows of fairly close spaced single crochet along both sides in the Wool Seed. This will make a wavy edge that will flow nicely. Weave in the ends.

Enjoy your shawl!
