

THE COOLEST SCARF EVER!!

An addiction to knit, this scarf works up fun and fast and is so unusual. A tremendous project for the beginner knitter! We used Noro Iro but you may choose to substitute with any heavy worsted weight yarn. The boucled colors of Noro produce an interesting result.

MATERIALS

3 skeins Noro Iro
Size 10 ½ needles

Cast on 15 sts. Row one: Work in seed stitch across row, setting the foundation for seed stitch across the middle 15 sts. Row two: Cast on 10 sts, then bind off 10 sts. Continue next 15 stitches in seed pattern. Each row thereafter, cast on 10 sts, immediately bind off 10 sts and seed across, which will yield the squiggles on the edge. Work in this continuous pattern until desired length and BO loosely. You'll love it!
